

## Drainage Engineers Conference

Index to Proceedings - 1969 to 1979

Title	Author	Year
An Example of Distributing the Estimated Cost of a Drainage Works Under the Drainage Act, 1962-63	H.H. Todgham, Todgham & Case Ltd.	1969
Evaluating Drainage Benefit	W.S. Young, P. Ag.	1969
Tile Drainage Engineering	R.E. Clayton, P. Eng.	1969
Drainage Water – How Much? How Often?	W.T. Dickinson, P.Eng.	1969
Legal Design Constraints	R.D. Steele, Q.C.	1969
Distributing the Cost	H.H. Todgham, P. Eng., O.L.S.	1969
Getting the Work Done	C.M. Armstrong, P. Eng., O.L.S.	1969
Discussion		1969
Erosion Control in Watercourses – I	J. D'Addario –Gabions Crosscountry Ltd	1970
Erosion Control in Watercourses – II	Craig R. Leuty – Niagara Peninsula CA	1970
The Application of Soil Capability Classes to Drainage	D.W. Hoffman – University of Guelph	1970
Estimation of Peak Discharge for Small Basins	W.T. Dickinson – University of Guelph	1970
Cook's Method 10 Year Storm Frequency		1970
Conflicts in Water Resource Planning – I	Peter Harvie – Georgian College	1970
Conflicts in Water Resource Planning – II	J. Grant Smith	1970
Present Law on Drain Crossings	R.D. Steele – Steele & Magee	1971
Drainage Crossings of the King's Highway	H.R.B. McIntyre – Dept. of Transportation and Communications	1971
Drainage Crossings of the King's Highway	J.M. Ford – Dept. of Transportation and Communications	1971
Drainage Scheme Crossing on Railway Lands	R.H.F. Laviolette – CN Railway	1971

<b>Title</b>	<b>Author</b>	<b>Year</b>
General Requirements Covering Installations Under Tracks – Great Lakes Region	Bridges & Structures Office	1971
Product Pipe Lines Under The Ontario Energy Board	W.T. Currie –Sarnia Product Pipelines	1971
Product Pipe lines – Construction Practices	K.G. Dellenbach – Sun-Canadian Pipeline Company Ltd.	1971
Product Pipe Lines Under The National Energy Board	J. B. Chamberlain – Trans-Northern Pipeline Company	1971
Telephone Plant and The Drainage Act	E.B. Morrison – Bell Canada	1971
Construction of Road Crossings	George Windsor – Armco Canada Ltd.	1971
Construction of Crossings	G.W. Cattle – G.W. Cattle Construction	1971
The Drainage Act Under Review	M.D. Trewin – Dept. of Mun. Affairs	1971
Panel Discussion		1971
Storm Drainage Design Criteria – Cost Implications	John T. Long – Damas & Smith Ltd.	1972
Seasonal Variations in the Probability of Runoff	T. Dickinson – University of Guelph	1972
Soil Effects and Drainage Design	P.S. Chisholm & E.E. Mackintosh – University of Guelph	1972
Storm Sewer Design – approval Considerations	K.A. Reichert – MOE	1972
The Drainage Act- Application in Urban and Fringe Areas	D.D. McGeorge	1972
Some Environmental Aspects of Highway Drainage – For Discussion	Ian V. Oliver, P. Eng. – MTC	1972
Resources Management Implications of Drainage in the Urbanizing Area	James S. Anderson – MNR	1972
Panel Discussion		1972
Drainage Assessment Distribution	R.W. Irwin – University of Guelph	1973
Drainage District Organization and Operation in Michigan	H.H. Todgham - Todgham & Case Ltd.	1973
A Process for Environmental Impact Appraisal	S.R. Quackenbush – Michigan Dept. of Agriculture	1973
Notes on Valuation of Land Required for Tile Drainage Scheme	M.E. Plewes – MOE	1973
Report on Drainage Co-Ordination	H.H. Mitchell – MTC	1973
Progress Report of Select Committee on Land Drainage	V. Spencer & J. Johnston – OMAF	1973
Panel Discussion	J.E. O'Meara	1973

<b>Title</b>	<b>Author</b>	<b>Year</b>
Progress Report on Land Drainage in Ontario	Vern Spencer & John Johnston –OMAF	1974
Impacts of Government – Assisted Land Drainage in Ontario – summary Research	Wm. C. Found – York University	1974
Summary of Research on Engineering and Construction Costs in Ontario	H.H. Todgham – Todgham & Case Ltd.	1974
Agricultural Land Drainage in Ontario	Lorne C. Henderson, M.P.P.	1974
Benefit Cost Statements	R.W. Irwin – University of Guelph	1975
Environmental Impact Appraisal for Drainage	H.D. Ayers – University of Guelph	1975
The Design of Stable Open Channels	P. S. Chisholm – University of Guelph	1975
Air Photos and Land Drainage	S.H. Collins – University of Guelph	1975
Does Drainage Add to Flood Peaks?	H.R. Whitley – University of Guelph	1975
Design of Riprap Protection	Trevor Dickinson – University of Guelph	1975
Land Drainage in England and Wales	R.W. Irwin – University of Guelph	1975
Panel Discussion		1975
Progress Report on Land Drainage in Ontario 1976	John Johnston & Paul Radigan – OMAF	1976
Flood Plain Policies and Administration	Guirish Sardesai - MNR	1976
Maintaining Channels for Drainage	Byron H. Nolte – Ohio State University	1976
Can Engineers and Biologists Cooperate in Land Drainage?	R.M. Biette – MNR	1976
Optimizing Design Parameters for Small Flood Control Structures	W.E. Watt – Queen's University	1976
Stabilization of Drainage Channels	Richard Hunter – Long Point Region CA	1976
Panel Discussion		1976
Ontario Drainage Manual Forward	E. H. Uderstadt	1977
Introduction	E. H. Uderstadt	1977
Common Law Aspects of Water	Ministry of Agriculture and Food	1977
History of Statute Law on Drainage	Ministry of Agriculture and Food	1977
Basic Aspects of Agricultural Drainage in Ontario	Ministry of Agriculture and Food	1977
Part 1 – Interpretations of the Drainage Act, 1975		1977
Section 2 Mutual Agreement Drains	E. H. Uderstadt	1977

<b>Title</b>	<b>Author</b>	<b>Year</b>
Section 3 Requisition Drains	E. H. Uderstadt	1977
Section 4 Petition Drains	E. H. Uderstadt	1977
Section 6 Environmental Appraisal	R. E. Crysler	1977
Section 7 Benefit-Cost Statement	E. H. Uderstadt	1977
Section 8 The Appointment	E. H. Uderstadt	1977
Section 9 The On-Site Meeting	E. H. Uderstadt, J.A. Monteith	1977
Section 10 The Preliminary Report	K. E. Weselan	1977
Section 11-13 Duties of the Engineer	L. P. Stidwill	1977
Section 14 Covered Drainage Works	G. D. Gamsby	1977
Section 15 Sufficient Outlet	K. A. Smart	1977
Section 16 Disposal of Material	Robert T. Hanson	1977
Section 17-18 Construction of Bridges and Culverts	E. H. Uderstadt, J. K. Young	1977
Section 19 Abandonment of Drain	E. H. Uderstadt	1977
Section 20 Drainage Works Beyond the Municipality	E. H. Uderstadt	1977
Section 22 Benefit Assessment	A. J. DeVos	1977
Section 23 Outlet and Injuring Liability	E. H. Uderstadt & Donald McGeorge	1977
Section 24-28, 34-38 Special Assessments	William Settingington	1977
Section 29-33 Allowances and Compensation	R. T. Hanson	1977
Section 40 Drainage Works Not Required	R. D. Martell	1977
Section 47-52 Appeals	Ministry of Agriculture and Food	1977
Section 63-64 Construction	Wm. D. Colby	1977
Section 65-66 Special Provisions	C. J. Demeyere	1977
Section 69 Public Utility (Option to Construct)	R. T. Hanson	1977
Section 39, 70-72 Filing the Report, Fees, Account, Review	W. J. Smith	1977
Section 74, 76, 78 Maintenance, Repair and Improvement	R. W. Robertson	1977
Section 84 Abandonment of the Drainage Works	Maurice Armstrong	1977
Section 93-95 Drainage Superintendent and Commissioners	Robert L. Lemon	1977
Part 1 – Case Law, Drainage Referee		1977
Drainage Referee, 1950 – 1965 Summaries		1977
Drainage Referee, 1965 - 1972 Summaries	Ministry of Agriculture and Food	1977
Appendices		1977
Other Related Acts Affecting Drainage		1977
Persons or Agencies Dealing with Drainage		1977
Information Pamphlet for Municipal Clerks (1976)		1977

<b>Title</b>	<b>Author</b>	<b>Year</b>
Petition Drain Procedure - Flow Chart		1977
List of Proceedings of Drainage Engineers Conferences		1977
Contributors to the Drainage Manual – Part I		1977
Progress Report on Land Drainage in October 1978	John Johnston, OMAF	1978
Case Study – Dyke Reconstruction Baptiste Creek, Township of Tilbury East	E. P. Dries, Todgham & Case Ltd.	1978
Closed Drains in Natural Watercourses	H. R. Whiteley, University of Guelph	1978
Organization of Land Drainage in England and Wales	Gordon Spoor, National College of Ag Engineering	1978
Hydraulics of Corrugated Plastic Drain Pipe	R. W. Irwin, University of Guelph	1978
Design and Selection of Pumps for Municipal Drains	Metro J. Sass, Sass Mfg. Co.	1978
Computer Assisted Municipal Drainage Assessments	Brian Boyd, A. J. Graham Eng.	1978
Introduction to the Manual of Practice for Drainage Engineers	H. H. Todgham, Todgham & Case	1978
Outlet Drainage in Quebec	Rene Charest, Engineer	1978
Drainage Tribunal Activities – 1977	Ralph W. Gagnier, Drainage Tribunal	1978
Capacity of Corrugated Plastic Drain Pipes to Support Earth Loads	R. Broughton, S. Ami, R. Munro, McGill	1979
Acts, Policies and Procedures:		1979
Ministry of the Environment	V. W. Rudik, OMOE	1979
Ministry of Natural Resources	T. M. Kurtz, OMNR	1979
Ministry of Transportation and Communication	J. D. Harris, OMTC	1979
Ministry of Agriculture and Food	G. H. Collins, OMAF	1979
Panel Discussion		1979
