

Drainage Engineers Conference

Index to Proceedings - 1980 to 1989

Title	Author	Year
Case Study - The Hamilton Drain	Alex J. Graham, A. J. Graham Eng.	1980
Low Water Crossings	Ross W. Irwin, U. of Guelph	1980
Design and Operation of Environmental Protection for Ditches	A. McBride, Maitland Eng.	1980
OMAF Summary of Work	John R. Johnston, OMAF	1980
Stabilizing Channel Side Slopes	S. Gibbons & M. Leger, McNeely Eng.	1980
Economics of Changing Side Slope of Open Ditches	H. H. Todgham, Todgham & Case	1980
Ontario Institute of Pedology - An Overview of the Institute and its Program	C. J. Acton, Ag. Canada	1981
Development of Soil Surveys in Ontario, Their Limitations and Use for Tile Drainage Evaluation	C. J. Acton, Ag. Canada	1981
How Soil Maps are Made	B. van den Broek, OMAF	1981
The Canada Land Inventory for Agriculture	B. van den Broek, OMAF	1981
A New Tile Drainage Design Code	R. W. Irwin, U. of Guelph	1981
Drainage Design, CLI and Hydrologic Code		1981
Hydrologic Classification – Ontario Soils	P. S. Chisholm, U. of Guelph	1981
Soil Erosion and the Drainage Engineer	G. Wall and W. Dickinson, Ag. Canada	1981
OMAF Report (Progress Report on Land Drainage)	J. R. Johnston, OMAF	1981
The Common Law and Riparian Rights in Drainage Practice	D. A. O'Brien, ODT	1982
Construction of Grassed Waterways	J. B. Arnold, OMAF	1982
The Lakes and Rivers Improvement Act and the Engineer	H. B. Walsh, OMNR	1982
The Engineer and the Lakes and Rivers Improvement Act	J. K. Young, Noront Engineering	1982
Preparing Material and Presenting Evidence at Hearings	E. C. Briscoe, ODT	1982
Estimating Agricultural Benefit	P. S. Chisholm, U. of Guelph	1983
Cost-Benefit Analysis of the Riviere Beaudot Drain	John Stidwell, Stidwell & Assoc.	1983

Title	Author	Year
Catch Basins and Inlets	John Kuntze, K. Smart Assoc.	1983
OMAF Report (Progress Report on Land Drainage, 1983)	J. R. Johnston, OMAF	1983
What Constitutes a Valid Petition?	A. J. Graham, J. McBride & E. W. Schifflett	1984
The Drainage Engineer in a Role as Drainage Superintendent	A. Clark, P. McNeely, H. Regts	1984
Computing in the Drainage Industry	D. Armstrong, Molnar Systems Group	1984
Appeals on Quality of Construction	E. C. Brisco, ODT	1984
1984 OMAF Report (Progress Report on Land Drainage)	Wayne Wood, OMAF	1984
Views and Concerns on Outlet Drainage - Federation of Ontario Naturalists	Nancy Patterson, FON	1985
Views and Concerns on Outlet Drainage - Federation of Agriculture	Brigid Pyke, OFA	1985
Views and Concerns on Outlet Drainage - Ministry of the Environment	Dennis Veal, OMOE	1985
Slope Stability in Open Channel Drains of the Ottawa - St. Lawrence Lowlands	Harold Chard, McNeely Engineering	1985
Benefit Assessment of Land Uses Other than Agriculture	Ed Dries, Todgham & Case	1985
Benefit Assessment for Hamlets and Built-up Areas	Kenn Smart, K. Smart Associates	1985
Tile Drain vs. Open Ditch	John Spriet, Spriet Associates	1985
Drainage Act Revisions	Jack Young, Noront Engineering	1985
Suggested Amendments to the Drainage Act		1985
1985 OMAF Report	Wayne Wood, OMAF	1985
Author Index to 1969 - 1985 Proceedings		1985
Consolidated Index to 1969 - 1985 Proceedings		1985
The Usefulness of Soil Reports to Drainage Engineers	Les Evans, U. of Guelph	1986
Soil Mechanics as a Guide to Drain Problems	Ted McKyes, McGill	1986
Small Pumps as an Alternative to Deeper Outlets	Don McGeorge, McGeorge & Barry	1986
Construction Lien Act	Rick Johnston, lawyer	1986
Concerns of the Ministry of Natural Resources on the Drainage Act	Dave Ward, OMNR	1986
Sauble River Watershed Drainage Study	Doug Green, Ecologistics Ltd.	1986

Title	Author	Year
An Environmental Appraisal of the Kieval Creek Drain under the Drainage Act	David Kerr & H. S. Belore, Cumming-Cockburn & Associates	1986
1986 OMAF Report	Wayne Wood, OMAF	1986
Evolution of Ontario Drainage Policy	Ross Irwin, U. of Guelph	1987
Preparing a Case for the Drainage Tribunal	E. C. Briscoe, ODT	1987
Watershed Master Drainage Plans	Russell Powell, ACAO	1987
Update on the Design and Construction Guidelines	Sam Singer, OMAF	1987
Large Diameter Plastic Tubing Failures	Robert Broughton, McGill	1987
Hydraulic Capacity of Riser Inlets	W. Dickinson, U. of Guelph	1987
Ducks Unlimited and Drainage	Roger Madill, Ducks Unlimited	1987
Red Tape by the Roll (Nottawasaga River and Innisfil Creek Drainage Works)	Tom Pridham, Uderstadt Burnside Ltd.	1987
1987 OMAF Report	Wayne Wood, OMAF	1987
Drain Construction and the Environment	Russell Piper, OFAH	1988
Techniques to Mitigate Environmental Damage of Drainage Ditches	David Reid, MNR	1988
Drainage Assessment Revisited	Ed Dries & Herb Todgham, Todgham & Case	1988
Subirrigation - Irrigation and Drainage Through the Same Underground Pipe	Bud Belcher, Michigan	1988
Design, Construction, and Operation of Rivard Pump Drainage Works	Donald McGeorge, McGeorge & Barry Ltd.	1988
1988 Panel Discussion: Subirrigation and Municipal Drainage		1988
1988 OMAF Report	Ken Chow, OMAF	1988
Control of Errors Using Computer Models for Drainage Design	Bill James, U. of Guelph	1989
Community Fisheries Involvement Program (CFIP)	Al Wainio, OMNR	1989
Forest Drainage in Ontario - The Why, How and When	Michael Rosen, OMNR	1989
Oxford County Land-Related Information Systems	Elizabeth Ottaway, Oxford County	1989
Installation of Large Diameter Plastic Drain Tubing	Robert Broughton, McGill	1989
Wetland Conservation in Ontario	Doug Hagan, OMNR	1989
1989 OMAF Report	Ken Chow, OMAF	1989
Index to Proceedings of the Association of Ontario Land Surveyors	Ross Irwin	1989
Valuation of Landscape Trees	Ross Irwin	1989
